## **SAFETY OBJECTIVES**

While safety is critical to both the success of our clients' projects and the strength of Conart, it is individual worker well-being that drives us. We achieve results by pushing safety and health means and methods well beyond established industry standards. We ensure:

- A. **Zero Accident Policy** - We strive to provide safe and healthy working conditions and to establish and insist upon safe practices at all times, by all employees and subcontractors.
  
- B. Our philosophy is that each and **every Incident/accident is preventable**. We robustly adhere with all regulations set forth by client and governmental agencies.
  
- C. Developing safety cultures by conducting periodic **safety awareness meetings and safety trainings** for all the project participants.
