The board recommends the resolution for approval of the shareholders as special resolution.

Item No.10

Approval for Alteration of Capital Clause in Memorandum of Association of the Company.

The Equity Shares of the Company are listed on BSE Limited. In order to improve the liquidity of the Company's equity shares in the stock market with higher floating stock in absolute numbers, the Board of Directors of the Company in their meeting held on Tuesday, the 13th August, 2024, considered desirable to sub-divide the nominal value of the equity share capital of the Company from Rs.10/- per share to Rs.5/- per share as proposed in the resolution subject to the approval of the shareholders and all authorities concerned.

The Record Date for the aforesaid Sub-division of the Equity Shares will be fixed by the Company after the approval of the shareholders is obtained.

Upon approval of shareholders for sub-division of shares, in case the shares are held in physical, the old share certificates of face value of Rs.10/- each will be cancelled on the Record Date and the new share certificates will be sent to the shareholders. In case the shares are in dematerialized form, the sub-divided shares will directly credited to the shareholders demat account on the record date in lieu of their existing shares.

The Board of Directors recommended the resolution at Item no.9 of the AGM Notice for approval of Members by Ordinary Resolution.

None of the Directors or Key Management Personnel of the Company or their relatives is concerned or interested in the Resolution except to the extent of their shareholding in the Company, if any.

Item No.11

Sub-division (Stock Split) of equity shares of the Company for Rs.10/-(Rupees Ten Only) each to Rs. 5/- (Rupees Five only) each

The proposed sub-division of the Equity Shares of the Company of Rs. 10/ each into smaller denomination of Rs. 5/- requires amendment to the Memorandum of Association of the Company. Accordingly Clause V of the Memorandum of Association is proposed to be amended as set out in item no.7 of the accompanying Notice reflecting the corresponding changes in the Authorized Capital of the Company consequent to the proposed Sub-division from Rs.4,00,00,000/- (Rupees Four Crores Only) divided into 40,00,000 (Forty Lakh) Equity Shares of Rs.10/- each (Rupees Ten only) to Rs. 4,00,00,000/- (Rupees Four Crores only) divided into 80,00,000 (Eighty Lakhs) Equity Shares of Rs.5/- each (Rupees Five only).

The Board of Directors recommended the resolution at item no.10 of the AGM Notice for approval of the Members by **Special Resolution**.

None of the Directors or Key Management Personnel of the Company or their relatives is concerned or interested in the Resolution except to the extent of their shareholding in the Company, if any.

There were no material changes that have affected the financial position of the Company which have occurred between the end of financial year on 31st March, 2024 and till the date of this report .

20. Management Discussion and Analysis:

In terms of the provisions of Regulation 34 of the SEBI (Listing Obligations and Disclosures Requirements) Regulation 2015, the Management Discussion and Analysis has been given hereunder.

a. Industry Scenario/India key market trends :

Despite the challenges thrown up by continued geopolitical conflicts between Russia-Ukraine War, Israel and Palestine war, Iran & Israel attack and modest global growth, growing domestic demand, which has aided its strong growth.

India's economy is a complex mix of agriculture, manufacturing and a rapidly growing service sector. Despite the significant role of Agriculture, the sector faces challenges like low productivity and inadequate infrastructure and is vulnerable to climatic conditions. Manufacturing varies from village industries to modern industries like pharma, automobiles and textiles. The service sector, including IT and financial services, has seen rapid expansion, becoming a major contributor to GDP.

b. Opportunities and Threats :

Macro-economic risks

Indian economy has become the fifth largest economy in the world. The major election uncertainties are out of the way and likely announcement of rate cuts by central banks in west. But India will likely see improved capital flows boosting private investments and a rebound in export.

c. Outlook :

Even outlook looks positive in FY 2024-25, the recent rapid rate hike may have impact on credit. It has been forecasted that the agriculture sector may have negligible impact due to El-Nino factor and monsoon will remain normal.

The consensus among our analysts is for India to remain among Asia's top performers in the coming years boosted by domestic political stability, a business-friendly reform agenda, strong population growth and increased interest of foreign firms looking to diversify supply chains away from China .

d. Risks and concerns:

i. Risk related of Raw Materials: Risks associated with key procurement relationships include:

- a. the availability of raw materials, more particularly Iron & Steel ;
- b. the price of raw materials may be subject to material changes in world-wide pricing levels;
- c. Very high input costs such as freight and electricity and frequent fluctuation in raw material prices in the market ; and
- d. key supplier relationships may be lost or impaired, contracts renewed on less favorable terms or exit of key suppliers from the market.

The Company plans well in advance to procure the raw materials from the domestic reputed supplier located in different parts of the country to mitigate risk relating to availability of raw materials.

e. Internal Control System and their Adequacy:

The Company's internal audit system has been continuously monitored and updated to ensure that assets are safeguarded, established regulations are complied with and pending issues are addressed promptly. The Audit Committee makes a note of the audit observations and takes corrective/remedial actions wherever necessary. It also maintains constant dialogue with statutory and internal Auditors to ensure that Internal Control system are operating effectively. Based on its evaluation (as provided under Section 177 of the Companies Act, 2013 and Clause 18 of SEBI Listing Regulations), the Audit Committee has concluded that as of 31st March, 2024, the Internal Financial Controls were adequate and operating effectively.

M/s. Govind Prasad & Co, Chartered Accountants, the Statutory Auditors formed an opinion that the Company has, in all material respect, an internal financial control with reference to financial statements of the Company and such internal financial reporting are operating effectively. The criteria for financial reporting as established by the Company considering the essential components of internal control as stated in the Guidance note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India and a report on the internal controls over financial reporting as defined in Section 143 of the Companies Act, 2013.

Management Discussion and Analysis Report**I. ECONOMIC OVERVIEW****a) Global Economy**

The global economy witnessed a blend of opportunities and challenges. It persisted with challenges and uncertainties arising on account of inflation dynamics, rising geo-political tensions leading to supply-chain disruptions and pace of post pandemic recovery. However, economists believe that several growth opportunities lie ahead, which are well supported by resilient performance by Central Banks in controlling inflation, major emerging markets showing consistent and strong growth outlook along with soaring capital markets across the globe. According to the latest projections by the International Monetary Fund (IMF), the global economy is slated to grow at 3.2 percent in 2024 and holding steady, even for 2025. The IMF also expects the global headline inflation to decline to 5.9 percent in 2024 and sequentially to 4.5 percent by the end of 2025

b) Indian Economy :

As per projections by the IMF, growth in India is projected to remain strong at 6.8 percent in 2024 and 6.5 percent in 2025 with the robustness, reflecting continuing strength in domestic demand and a rising working-age population. The resilient growth demonstrated by the economy has led to expectations that the Indian economy may become the third largest in the next few years.

II. INDUSTRY OVERVIEW

The outlook is driven by a confluence of multiple factors including increasing urbanization, shifting demographics, aspirational lifestyle and supportive economic growth in the country. A number of factors are adding further impetus to the growth of the industry. The growth can be attributed to a growing residential demand, expected growth in sustainable workplaces, rising consumption and needs of a growing population with higher income levels. The overview and outlook for different segments of the industry is given below:

a) Residential Segment

The Indian residential segment has undergone major structural transformations over the last decade. The sector saw multiple challenges including demonetization, implementation of Goods and Services Tax (GST) and Real Estate (Regulation and Development) Act, 2016 (RERA), Non-Banking Financial Companies (NBFCs) crisis and the COVID-19 pandemic. However, today, the sector is touching new highs with the support of strong policy interventions such as RERA which have made the sector more transparent and customer centric; a strong economic momentum and an ardent desire of owning and upgrading homes. As per the recent report, published by Knight Frank and Confederation of Indian Industry, India's urbanisation rate over the next decade is expected to reach 42.50% from 36.50%, which implies a significant rise in demand of households and expansion of cities, across the country.

It is estimated that the share of leading developers has almost doubled in the last 7 years. This trend is expected to continue as the industry grows.

b) Office Segment

The office segment witnessed robust growth in activity(ies), as an outcome of robust domestic growth as well as renewed demand from the occupiers.

The luxury segment continued to experience rising resurgence, primarily driven by rising income levels, aspirational lifestyle and growing consumption trends in the country. Realising the notable growth in the luxury segment, numerous foreign retailers have entered and continue to explore the country to capitalise on this growth. It is expected that this segment should continue to exhibit strong growth momentum, though demand seems to be primarily driven for quality malls at established locations.

III. OUTLOOK AND STRATEGY

The business exhibited a strong performance and continues to deliver well across all parameters. As Indian economy continues its strong growth trajectory, the real estate sector is poised to deliver a healthy performance across all segments. The Company remains focused and committed to drive growth by bringing high quality new products across both its business i.e. development as well as the rental business. The Company continues to follow its stated strategy of maintaining a leadership position by delivering low-risk, consistent and profitable growth. Key pillars of the strategy are outlined below:

- **Development business:** The Company intends to continue to scale-up its new product offerings, while focusing on developing margin accretive products. The Company is focused on tapping multiple geographies including its core

market of Gurugram and Delhi, existing land bank across multiple cities including Chandigarh Tri-city and Goa and newer markets including Mumbai.

- **Rental business:** The Company remains focused on growing the rental portfolio by capturing the organic growth potential along with new products across, both office and retail segments. The Company expects to maintain its growth trajectory and achieve double-digit growth in its portfolio through organic growth, coupled with new developments. The positive outlook towards the retail business has led to a development of new retail destinations and the Company expects to double its retail presence over the next few years.
- **Cash management:** Strong growth in the business has led to a healthy cash flow generation. The Company intends to put enhanced focus on steady free cash generation on a consistent basis. Backed by strong growth and high margin products, the development business has achieved a healthy net cash position at the end of the fiscal. The Company intends to strengthen this existing position going forward.

INDEPENDENT AUDITORS' REPORT

To The Members of
CONART ENGINEERS LIMITED

I. Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the accompanying Standalone Financial Statements of **Conart Engineers Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to financial statement, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, **the profit** and total comprehensive income, changes in equity and its cash flows for the year ended on that date

2. Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Revenue Recognition under IND AS 115: Revenue from contract with customers: Fixed price contracts	How our audit assessed the key matter
<p>The Company inter alia engages in Fixed-price contracts, wherein, revenue is recognized using the percentage of completion computed as per the input method based on the Company's estimate of contract costs (Refer Note 2(h) to the standalone financial statements)</p> <p>We identified revenue recognition of fixed price contracts as a Key Audit Matter since:</p> <p>a. it pertains to the major activity of the company and the recognition of the revenue depends on third party certification based on the invoices raised, and approved based on the survey.</p> <p>b. application of this standard is complex and it involves number of key judgements and estimates mainly in identifying performance obligation and recognition of revenue based on the stage of completion of the contract on certified invoices.</p>	<p>Our audit procedures on revenue recognized from item rate contracts includes:</p> <ul style="list-style-type: none"> · Obtained an understanding of the system processes and controls implemented by company for recording and computing revenue. · With regards to information technology: <ul style="list-style-type: none"> o Assessed the IT environment which the business system operates in and tested the system controls over which the revenue is recognized; o Tested IT controls over appropriateness of cost and revenue reports generated by the system; o Tested controls pertaining to allocation of resources and budgeting systems which prevent unauthorized recording or changes to costs incurred and controls relating to the estimation of contract costs required to complete the respective projects

4. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- i) planning the scope of our audit work and in evaluating the results of our work; and
- ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

II. Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - C. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account
 - D. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014
 - E. On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - F. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - G. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - H. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements.
 - ii) The company does not have any material foreseeable losses on long-term contracts including derivative contracts as at 31st March 2024
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv) a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under a) and b) above, contain any material mis-statement.

- v) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
 - vi) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trial (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further during the course of our audit we did not come across any instance of the audit trial feature being tempered with.
 - vii) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of Audit trial as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **CONART ENGINEERS LIMITED** ("The Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control

stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements for the year ended March 31, 2024 were approved by the Board of Director and authorized for issue on 30th May,2024.

NOTE - “2” :

SIGNIFICANT ACCOUNTING POLICIES

a. STATEMENT OF COMPLIANCE

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as “Ind AS”) prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

b. BASIS OF ACCOUNTING

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the consideration given in exchange for goods and/or services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

c. Current and non-current classification

I. Assets

The entity classifies an asset as current when:

- (a) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- (b) it holds the asset primarily for the purpose of trading;
- (c) it expects to realise the asset within twelve months after the reporting period; or
- (d) the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

II. Liabilities

The entity classifies a liability as current when:

- (a) it expects to settle the liability in its normal operating cycle;
- (b) it holds the liability primarily for the purpose of trading;
- (c) the liability is due to be settled within twelve months after the reporting period; or
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

The operating cycle considered as 12 months by the management

d. Use of estimates

The presentation of Financial Statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and disclosure of contingent liabilities. The estimates and assumption used in the accompanying Financial Statements are based upon management’s evaluation of the relevant facts and circumstances as of the date of the financial statement. Actual results may differ from the estimates and assumptions used in preparing the accompanying Financial statements.

e. Property plant and equipment

The cost of an item of property, plant and equipment comprises of purchase price, including import duties and taxes (other than those subsequently recoverable by the entity from the taxing authorities), after deducting trade discounts and rebates, and including any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

After recognition as an asset, an item of property, plant and equipment is carried at its cost less any accumulated depreciation and accumulated impairment losses, if any.

Depreciation is provided on the Straight-Line Method at the manner prescribed under schedule II of the companies Act, 2013. The useful life of the asset is considered as prescribed under schedule II of the Companies Act, 2013

The residual values, useful lives and methods of depreciation of Property, Plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or loss arising from derecognition of a Property, Plant and Equipment are measured as the difference between net disposal proceeds and the carrying amount.

f. Investment property

The investment properties held by the company are valued at cost at which comprises its purchase price and any directly attributable expenditure. There is no existence and amounts of restrictions on the realisability of investment property or the remittance of income and proceeds of disposal nor are there any contractual obligations.

All the investment properties has generated income through rental income during the year under consideration

The company is not provided any depreciation on the investment properties as the said properties are held for sale, as the intention of the company is to recover the principal amount through sale transaction rather than through continuing use.

g. Intangible assets

a) Measurement at recognition:

Intangible assets acquired separately are measured on initial recognition at cost. Subsequently, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

b) Amortization:

Intangible Assets are amortized on a Straight-Line basis over the estimated useful economic life. The amortization expense on intangible assets is recognized in the Statement of Profit and Loss. The estimated useful life of software is considered as per schedule II of the companies Act, 2013. The amortization period and the amortization method for an intangible asset is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

c) De-recognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

h. Impairment of non-financial assets

The company assesses at each reporting date as to whether there is any indication that Property, Plant and Equipment or intangible assets may be impaired. If any such indication exists, the recoverable amount of an asset is estimated to determine the extent of impairment.

Impairment loss, if any, is recognised in the statement of profit and loss to the extent the carrying amounts of assets exceeds their recoverable amount. Recoverable amount is the higher of an assets net selling price and its value in use.

Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Net selling price is the amount obtainable from the sale of an asset in an arms-length transaction between knowledgeable, willing parties, less the costs of disposal.

The impairment loss recognised in prior accounting period is reversed if there has been change in estimate of recoverable amount.

i. Financial Instruments:

i) Financial Assets

a. Initial Recognition and measurement

The entity recognizes a financial asset in its balance sheet only when, the entity becomes party to the contractual provisions of the instrument. All financial assets except trade receivables are measured at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit and loss, are adjusted to the fair value on initial recognition.

A regular way purchase or sale of financial assets are be recognised and using trade date accounting

b. Subsequent Measurement

i) Financial Instruments measured at Amortised Cost (AC)

A financial asset is measured at amortized cost if it is held within business model where objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset gives rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial Instruments measured at Fair Value through Other Comprehensive Income (FVTOCI)

A Financial asset is measured at FVTOCI if it is held within the business model where objective is achieved by both contractual cash flows and selling of financial assets and contractual terms of financial assets give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

iii) Financial Instruments measured at Fair Value through Profit or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL

c. Impairment of Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets are impaired.

In accordance with IND AS 109, the company uses 'Expected Credit Loss (ECL)' model, for evaluating impairment of financial assets other than those measured at Fair value through Profit and Loss (FVTPL).

Expected credit losses are measured through loss allowance at an amount equal to:

- a. The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- b. Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments)

For trade receivables the company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of trade receivables.

The company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analyzed

For other assets, the company uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities

i) Initial Recognition and Measurement

The entity recognizes a financial liability in its balance sheet only when, the entity becomes party to the contractual provisions of the instrument. All financial liabilities are measured at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit and loss, are adjusted to the fair value on initial recognition.

ii) Subsequent measurement

Financial Liabilities are carried at amortized cost using effective interest method

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to short maturity of these instruments.

iii) De-recognition of Financial Instruments

The company derecognizes a financial asset when the contractual rights to the cash flow from the financial asset expires or it transfers the financial asset and the transfer qualifies for de-recognition as per IND AS 109.

Financial liability (or part of financial liability) is derecognized from the company's balance sheet when obligation specified in the contract is discharged or cancelled or expired.

iv) Offsetting

Financial assets and Financial liabilities are offset and the net amount is presented in the balance sheet when, and only when, the company has legally enforceable right to set-off the amount and it intends, either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

j. Income taxes

The tax expense for the period comprises of current tax and deferred income tax. Tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

i) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the income tax authorities, based on tax rates and laws that are enacted at balance sheet date.

ii) Deferred Tax

Deferred tax is recognized on temporary differences between carrying amounts of assets and liabilities in financial statements and the corresponding tax bases used in computation of taxable profit.

Deferred tax liabilities and assets are measured at tax rates that are expected to apply in the period in which the liability is settled or the assets realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period

k. Inventories

Construction materials are valued at lower of cost or net realizable value, on the basis of weighted average method after providing for obsolescence and other losses, where considered necessary. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Work-in-progress represents cost incurred directly in respect of construction activity and indirect construction cost to the extent to which the expenditure is related to the construction or incidental thereto is valued at lower of cost or net realizable value

Amount of work in progress certified / billed in the subsequent year is pro-rated for the year under review, based on number of days involved.

Stocks of stores and scaffolding have been valued at cost or net realizable value, whichever is lower having regard to the life of such material used.

Stock of raw materials is valued at cost or net realizable value, whichever is lower.

Finished goods are valued at cost or market value, whichever is lower.

l. Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, balances with banks, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and having original maturity of three months or less.

m. Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities.

n. Provisions and contingent liabilities

The Company creates a provision where there is present obligation (legal or constructive) as a result of past event that probably requires an outflow of resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resource is remote, no provision or disclosure is made.

o. Contract receipts / revenue recognition

Revenue is recognized when it is probable that economic benefits associated with a transaction flows to the Company in the ordinary course of its activities and the amount of revenue can be measured reliably.

Revenue is measured at the fair value of the consideration received or receivable.

Contract revenue:

Contract revenue includes the initial amount agreed in the contract plus any variations in contract work, claims and incentive payments, to the extent that it is probable that they will result in revenue and can be measured reliably. When the outcome of a construction contract can be estimated reliably, contract revenue is recognised in the statement of profit or loss in proportion to the stage of completion of the contract. The stage of completion is assessed by reference to surveys of work performed. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable. Full provision is made for any loss in the year in which it is first foreseen. Cost incurred towards future contract activity is classified as project work in progress.

Revenue from operations is measured at fair value of the consideration receivable or received, taking into account contractually defined terms of payment and excluding taxes collected on behalf of the government.

In respect of contracts executed, the company accounts for income to the extent of work completed, on the basis of invoices certified. Uncertified contract receipts are determined on technical estimates.

Material supplied by the clients in accordance with the terms of contract is not taken into account as contract receipts.

Prices, escalations and de-escalations are accounted as and when certified.

Sale of goods & Services:

Revenue from sale of goods is recognized when the Company transfers all significant risks and rewards of ownership to the buyer, while the Company retains neither continuing managerial involvement nor effective control over the goods sold.

Revenue from rendering of services is recognized when the performance of agreed contractual task has been completed.

Interest and dividend:

Interest income is recognized using effective interest method.

Dividend income is recognized when the right to receive payment is established.

p. Employee benefit expenses

Short Term Employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange of the services rendered by employees are recognized as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to separate entities. The Company makes specified monthly contributions towards Provident Fund, State Insurance, and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

The company also provides retirement benefits in the form of Gratuity on the basis of valuation, as at the Balance Sheet date. Gratuity liability is covered by a Group Gratuity policy with life insurance Corporation of India.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation.

The company also provides retirement benefits in the form of Gratuity on the basis of valuation, as at the Balance Sheet date. Gratuity liability is covered by a Group Gratuity policy with life insurance Corporation of India.

Re-measurement of Defined Benefit Plans in respect of Post-Employment are charged to other Comprehensive Income.

Effects due to COVID-19 “47”

The company has evaluated the impact of COVID-19 resulting from:

- a. the possibility of constraints to render services which may require revision of estimations of costs to complete the contract because of additional efforts;
- b. onerous obligations;
- c. penalties relating to breaches of service level agreements, and
- d. Termination or deferment of contracts by customers.

The company has concluded that the impact of COVID-19 is not material based on these estimates. Due to the nature of the pandemic, the company continues to monitor developments to identify significant uncertainties relating to revenue in future periods
